

Do you need more time in your day and are ready to discuss delegating? The following resources are solutions for various areas of your business to help you maximize your time in your business. Note: some I've personally worked with and others are resources I'm aware of but don't have personal experience with.

Virtual Assistant	Area of Specialty	How we've worked together
Virtual Relief! LuAnne Hage <a href="http://www.VirtualRelief.com">www.VirtualRelief.com</a>	Her background is in marketing but her specialty is in providing a high level virtual solution to free up your time to focus on what you love and do best and get your business to where you want it to be.	LuAnne was instrumental in getting my eLearning site, <a href="http://www.aBetterWayTo.co">www.aBetterWayTo.co</a> , up and functional! And when I say instrumental, I mean it wouldn't have happened without her. She's great at helping with taking an idea from conception to completion.
Kelley & Co. Kelley Alexander-Kruger <a href="http://www.KelleyandCo.net">www.KelleyandCo.net</a>	Focuses on helping clients with developing a social media presence as well as event planning services.	If you like my social media content, you can thank Kelley for that. She makes me look good (and sometimes I don't even know!)
Virtual Care for Visionary Coaches Gretchen Christy <a href="http://www.GretchenChristy.com">www.GretchenChristy.com</a>	Works with elite life and business coaches who want to uplevel their businesses.	I haven't worked with her directly but know her personally and think she's great!
Another You Sherri Miller <a href="http://www.AnotherYouErrands.com">www.AnotherYouErrands.com</a>	Personal and Business Concierge Services and Errands	I haven't worked directly with Sherri but think her service sounds amazing.
AssistU Registry for finding experienced Virtual Assistants <a href="http://www.AssistU.com">www.AssistU.com</a>	Ability to find the perfect VA through a free registry or through a fee based process. They also have a training program for those looking to get into the profession.	I haven't specifically used this service however LuAnne and several other VA's I've worked with and/or spoken to are graduates of this program.
